**GOV. EASLEY ANNOUNCES TOWN OF TABOR CITY TO RECEIVE \$3 MILLION
STATE GRANT FOR WASTEWATER IMPROVEMENTS**

RALEIGH – Gov. Mike Easley today announced that the Town of Tabor City will receive \$3,000,000 from the High Unit Cost Grant Account for wastewater system improvements.

“These funds will allow Tabor City to make much-needed investments in its infrastructure,” Easley said. “This type of investment is key to the area’s success in pursuing economic development opportunities and for improving the environmental performance of its facilities.”

These funds will support the upgrade of existing wastewater treatment facilities. Work on the project is slated to begin in the late summer of 2007.
